

HPC CARPENTRY

BoF Introduction

<https://hpc-uk.github.io/sc17-hpccarpentry-bof/>

BoF Aims

- HPC Carpentry Goals, e.g.:
 - Who are the target audiences for HPC Carpentry?
 - What should the learning outcomes be?
- HPC Carpentry Design, e.g.:
 - What lessons should be included?
 - How much modularity do we want?
 - How (if any) much site/facility specific material would be needed?
- HPC Carpentry Structure, e.g.:
 - How long should the course last?
 - Should we support different lengths?

Format

- Short 5m presentation followed by discussion activity
- Four sections planned:
 - Introduction and session goals (this one!)
 - Learner profiles
 - Course design
 - Ongoing support for learners

What do we do with this?

- Use to help frame discussions in upcoming activities
- Understand what attendees' attitudes are to HPC Carpentry
- Help prioritise HPC Carpentry development work
